

THE ENVISANT DIFFERENCE

Welcome to the Envisant Difference!

I'm pleased to introduce our new Envisant quarterly e-newsletter highlighting industry hot topics, resources, and partner and Envisant news. Get insights into Envisant and industry happenings all in one streamlined format! Keeping you informed is an important part of the Envisant Difference! Look for our newsletter in your inbox once a quarter for your updates.

If you know of others who might like to receive these quarterly emails, please have them subscribe by clicking [here](#).

Sincerely,

Libby Calderone
President/COO

Webinar: Payment Trends to Watch in 2023

Join Anthony Mondello as we discuss what is happening in payments and the impacts on credit unions and their members and how Envisant can help you navigate the ever-changing landscape in 2023 and beyond!

Date: April 12, 2023 | Time: 1:00pm CST

Deep insert skimmers – How to defend against these stealthy parasites

Skimming tactics are becoming increasingly sophisticated, and deep insert skimming is among the most difficult to detect. Fortunately, there are also many ways, both simple and high-tech, to defend against these skimmer attacks.
